

WMSECN Meetings

Speaker Panels

Get perspectives from Regulators, Contractors, Design Engineers and other Technical Experts on various topics related to Soil Erosion and Sediment Control. This interactive format provides opportunities for both attendee questions and discussion.

Field Demonstrations

See the latest soil erosion and sediment control products installed and in use during one of our field demonstration events. Product vendors are present to answer questions and provide additional information.

Networking Lunches

Join us! Most WMSECN events include a networking lunch. It's a great opportunity to meet other professionals in the erosion control field.

Technical Trainings*

Attend one of the technical trainings offered by WMSECN with more in-depth content. Continuing Education Credits and/or Professional Development hours are available.

*Additional registration fees apply

Meetings & Lunches are free for members

\$10 for non members
